

Acknowledgement of Offer of Insurance

I acknowledge that my travel agent informed me that I could buy insurance to protect myself from possible financial losses, in case I am not able to travel according to the plans that I have made, as a result of bankruptcies of airlines or other companies, illnesses of myself or others, or for any other reason. If I decide not to purchase this insurance, I understand this might result in financial loss to me, but I am willing to incur this risk to avoid the cost of the insurance. I understand and agree that I will not hold my travel agent responsible, for any possible losses or inconveniences I may encounter, since I understand that I could protect myself by buying insurance. Please check below your decision on Insurance and return this Form to Condor Outfitters.
